

Proposed Recommendation of the Chapter By-Laws Task Force

I want to follow-up on my email/phone calls to the other UUP chapters to see what their chapter by-laws have for term limits.

Here is the results:

No Reply from the chapter 7

5 @ 2 year terms (10 years) 1

4 @ 2 year terms (8 years) 1

3 @ 2 year terms (6 years) 4

No term limits 19

Based on those results plus our past discussion at our task force mtgs., I recommend we go with our original proposal of leaving the 5 @ 2 year terms as is. But indicate if the chapter executive board makes a motion and votes by majority to modify out term limits they may do so.

As to the second item which was not officially pasted on to us after Sept. exec. bd. mtg., I believe we stand with our recommendation to allow the chapter executive board to propose an operations manual to sort out details not included in the by-laws like having co-chairs from both academic & professionals. The Chapter executive board can then approve them and it would be easier to amend as needed when conditions change, vs having to go thru a By-laws change.

I also then suggest at the Oct. 8th, 2019 Chapter Executive Board, the attached 7 pages of proposed changes be sent out to all invited members via email and we have hard copies for the meeting. I have changed the date
